PRIMO COMPACT

The Primo Compact combines quality coffee, customisable drinks and compatibility with any location. A highly attractive design means that this Primo is the perfect fit for hotels, restaurants, retail stores, offices and beyond!

Very versatile due to its compact height, this must-have machine is just 60cm tall!

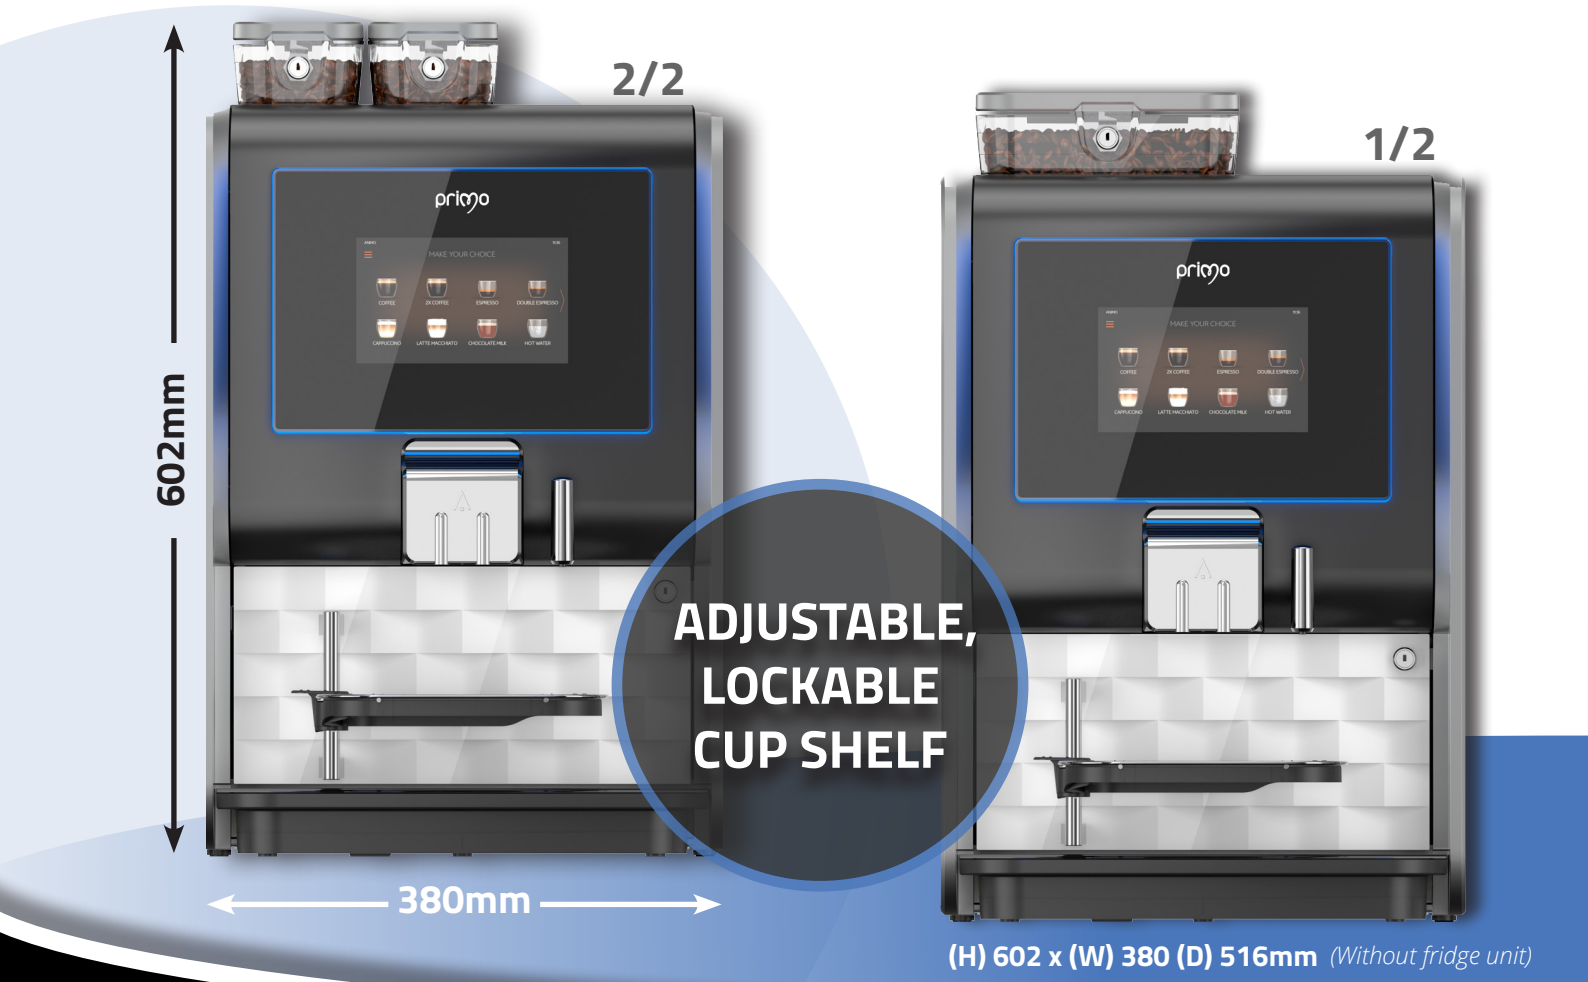

AVAILABLE IN FOUR MODELS

COMPACT 1/2	1x bean hopper / 2x canisters (Chocolate & Powdered milk)
COMPACT 2/2	2x bean hoppers / 2x canisters (Chocolate & Powdered milk)
COMPACT 1/2 w/FRESH MILK KIT	1x bean hopper / 2x canisters (Chocolate & Powdered milk) can be adapted for fresh milk
COMPACT 2/2 w/FRESH MILK KIT	2x bean hoppers / 2x canisters (Chocolate & Powdered milk) can be adapted for fresh milk

N.B. Fresh milk adapter must be purchased at point of sale alongside your machine.

Single or dual grinders from Ditting will deliver you the perfect beverage.

Stock your favourite two beans for a luxurious choice, or keep it simple with regular and decaf beans.

(H) 602 x (W) 380 (D) 516mm *(Without fridge unit)*

ULTIMATE Barista Range! Discover the Primo Compact, Touch, Maxi, Midi and Mini.

FRESH MILK

Some coffee lovers need their coffee-shop fix and are adamant about the need for a fresh milk drink. So why not add a fresh milk refrigeration unit to your Compact? Free condiment holder on fridge unit.

When fresh milk runs out the Compact will automatically start dispensing powdered milk instead.

(RIGHT - FRESH MILK REFRIGERATION UNIT AVAILABLE FOR MODELS ADAPTED FOR FRESH MILK)

HEATED CUP STAND

Keep your fresh milk beverage at the optimum temperature. Available for all models of the compact. With 3 heated shelves can hold up to 60 coffee cups / 144 espresso cups.

Accessories

WATER RESERVOIR

The water reservoir holds up to 8.2 litres. Perfect for places where it cannot be mains fed.

PAYMENT SYSTEM

The Primo Payment module supports cashless payment systems including Nayax and MEI models.

EXTENSIONS

Canister and bean hopper extensions to increase the capacity of your Compact.

Bean Hopper
Only available on 2/2 model increases each bean hopper by 400g

Canister
Instant capacity increases from 600g to 1200g for granulated Milk (85 drinks to 170 drinks), or from 800g to 1600g Chocolate (50 drinks to 100 drinks)

BASE CABINET

Great for storing ingredient refills, milk, sugar, cups and stirrers or accommodate a pump & tank kit.

CUP DISPENSER

Add a cup dispenser with design that compliments the Compact.
