UNPARALLELED EXPERIENCE

GAGGIA
MILANO

A TASTY LONG STORY

IT WAS THE YEARS-LONG QUEST TO CREATE THE PERFECT ESPRESSO, AGAINST THE BACKDROP OF 1930S MILAN, THAT GAVE BIRTH TO ONE OF THE MOST ICONIC ITALIAN BRANDS IN THE WORLD. IN 1938, THE ITALIAN BARISTA ACHILLE GAGGIA FILED THE PATENT THAT SIGNALLED A REVOLUTION IN THE WAY THE AROMAS ARE EXTRACTED FROM COFFEE, ALLOWING US TO TASTE THE PERFECT ITALIAN ESPRESSO, COMPLETE WITH ITS 'CREMA', FOR THE VERY FIRST TIME: A UNIQUE PLEASURE.

TODAY, AS IT WAS THEN, GAGGIA'S MISSION IS TO TAKE THE TRADITION OF THE ITALIAN ESPRESSO TO THE WORLD. THE COMPANY'S UNCHANGING VALUES OF TRADITION AND PROFESSIONALISM ARE AN INTRINSIC PART OF ALL THE MACHINES IN ITS RANGE, WHICH ADDRESSES THE REQUIREMENTS OF COFFEE PROFESSIONALS BY COMBINING STATE-OF-THE-ART TECHNOLOGY WITH SOPHISTICATED DESIGN.

BETWEEN TRADITION AND INNOVATION

THANKS TO A SOPHISTICATED DESIGN AND THE TECHNOLOGY OF ITS COMPONENTS, LA DECISA PERFECTLY EMBODIES THE FEATURES THAT EPITOMISE 'MADE IN ITALY' AND THE VALUES OF GAGGIA MILANO, A BRAND WHICH HAS WRITTEN NUMEROUS PAGES OF COFFEE HISTORY.

AN INTERTWINING OF TRADITION AND INNOVATION IS THE KEY TO ITS SUCCESS. AVAILABLE IN BOTH 2 AND 3 GROUP VERSIONS, AS WELL AS IN A TALL-CUP SOLUTION, LA DECISA IS THE PERFECT RESPONSE TO WHAT ALL BARISTAS REQUIRE FROM A MID-RANGE COFFEE MACHINE: A TOUCH SCREEN INTERFACE AND AN ENERGY SAVING MODE, TO NAME JUST A COUPLE .

EFFICIENT AND EFFECTIVE

LA DECISA HAS BEEN DESIGNED TO ADDRESS A BARISTA'S EVERY REQUIREMENT. THE BACKLIT FRONT KEYBOARD TOGETHER WITH THE LED-ILLUMINATED WORKING AREA ENSURE LA DECISA IS AN EXTREMELY PRACTICAL AND EFFICIENT COFFEE MACHINE.

MOREOVER, SIMPLIFIED MAINTENANCE AND OTHER SUBTLE DETAILS GUARANTEE UNRIVALED ERGONOMICS. TAKE FOR INSTANCE THE ANGLED FILTER HOLDER HANDLE AS WELL AS THE THREE KNOBS FOR HOT WATER AND STEAM, WHICH ALLOW MAXIMUM DELIVERY WITH A ROTATION OF JUST 90°.
