VITRO X1

COFFETEK

PINPOINT STYLE & COFFEE QUALITY

Vitro X1 is an elegant and contemporary looking compact coffee machine that has been developed with attention to detail and with the best material finishes, providing it with a unique premium identity. Its design compliments any area in an office, hotel, leisure centre or convenience store.

The Vitro X1 is also very easy to use and maintain which delivers consumers with a consistent high standard coffee experience. It offers velvety chocolates and the very best coffee preparation, from the bean to the cup. A full process of coffee grinding, tamping and brewing are made automatically in a matter of seconds – leaving the consumer with the most important job – enjoying a simply great coffee experience!.

The independent hot water serving area allows the consumer to prepare tea & delicate infusions at ease with clean fresh hot water.

VITRO X1 Espresso

Vitro X1 brings complete peace of mind in busy coffee service environments with a consumption of up to 150 cups per day.

Machine Capacity
