BARISTA 600

When Reliability Meets Great Taste

Necta

When Reliability Meets Great Taste

enjoy your moment

BARISTA 600 TOUCH HIGHLIGHTS

The latest technology combined with operational efficiency:

- A+ energy class (single boiler) | A energy class (double boiler) offer significant energy savings across the life of these machines
- Easy machine management using Necta's straightforward programming platform

The fully customisable touchscreen means that Barista 600 Touch offers a superior user experience

- Speedy diagnosis/maintenance when required
- A simple and intuitive approach for content updates offers operators a valuable communication space that provides consumers with information and entertainment
- Content is simple to upload either on site via USB or remotely* [* Coming soon]
- Reactive touchscreen offers end users an intuitive interface with a speedy selection process and a high degree of drink customisation

BARISTA 600 DIRECT SELECTION HIGHLIGHTS

Elegant design paired with the latest technology and operational efficiency:

- Streamlined internal layout and synergy across the Necta range
- 16 LED illuminated direct selection buttons (plus 4 pre-selection buttons for drink strength and sugar preferences)

The best consumer experience:

- Intuitive to use
- Delivers cutting-edge performance across a wide choice of drinks
- Large colour TFT display for improved visibility

BARISTA 600 RANGE HIGHLIGHTS

ELEGANT DESIGN:
Barista 600 pairs elegantly with Necta's snack range

4 MODELS:
Touchscreen or Direct selection / Single fresh brew or Single Fresh Brew + Tea

DRINK TECHNOLOGY:
Z4000 Espresso brewer + Tea brewer for freshly brewed tea

BARISTA 600 RANGE BENEFITS

Excellence in Sustainability

- Industry-leading ESG credentials showcase Evoca's sustainability leadership in sustainability
- Designed with bio-circular plastics, up to 96% recyclable components and 100% recyclable packaging

Increase Revenue, Limit TCO

- Reduced running costs contribute to lower Total Cost of Ownership over the lifetime of the machine

Full Solution With Guaranteed Performance

- Proven reliability widely recognised worldwide, making Necta a trusted choice for quality-driven operators
- Exceptional in-cup quality from our patented Z4000 brewer, available in different versions, to meet everyone's tastes

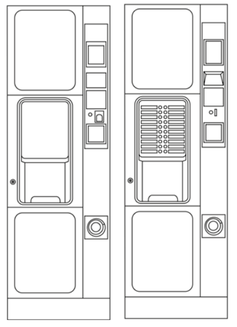

Seamless Integrated Solution across Necta Brand

- Hot drinks machines banked with a Necta Gusto snack/impulse machine allows a complete experience with the full digital service platform (including two-way telemetry services such as TeleVend and AmiClo)

Ideal for Any Location

- Suited to many different locations, including (but not limited to):
- Workplaces including Offices, Factories and warehouses
- Public locations such as Education and Healthcare
